

116-9

ADV Machinery

116-series

立卧式砂带机

Vertical and horizontal belt grinding machine

产品功能和特点

Product functions and features

- ★ 可根据使用场景切换形态，灵活高效，一机两用
The form can be switched according to the usage scenario, flexible and efficient, one machine for two uses
- ★ 砂带更换便捷，操作简单
The sanding belt is easy to replace and easy to operate
- ★ 平台高度可调节，仪表实时显示高度
The platform height is adjustable and the instrument displays the height in real time
- ★ 变频器控制，砂带转速可调节
Frequency converter control, sanding belt speed can be adjusted
- ★ 配备磁力平台，可有效固定工件
Equipped with a magnetic platform to effectively fix the workpiece

基本参数
Basic parameters

砂带电机功率 Sand belt motor power	1.5/2.2kw	砂带尺寸 Sand belt size	(1600-2100)*50mm (63"-82.7")*1.97"
功能 Function	三合一 three in one	包装尺寸 Packing size	930*680*650mm(L*W*H) (36.6"*26.8"*25.6")
变频调速 Frequency conversion speed regulation	Yes	重量 weight	160kg

三合一
three in one
