手动拉丝机

Manual long belt sander

产品功能和特点

Product functions and features

- ★ 手动和自动结合，灵活高效
Combination of manual and automatic, flexible and efficient
- ★ 可选配双砂带/拉丝轮/控制系统/旋转轴，适用范围广
Optional double abrasive belts/drawing wheels/control systems/rotating axes, suitable for a wide range of applications
- ★ 可选轻型/重型，满足不同预算
Available in light/heavy duty to suit different budgets
- ★ 耗材更换便捷，低成本运行
Convenient replacement of consumables and low cost operation
- ★ 高稳定性机身，安全性设计
High stability body, safety design

基本参数
